

Wellesbourne Parish Council

Wellesbourne Sports and Community Centre

**Report of the WSCC Working Party meeting held on
Thursday 22nd May 2011 at Wellesbourne Conservative Club**

Present - Cllrs Parton, Copeland, Grantham and Kendall

Apologies - Cllr Mrs Rose

Election of Chairman - It was agreed that Cllr Copeland Chair the meeting

Expressions of interest

Cllr Copeland provided details of 27 responses to the advert asking for expressions of interest in WSCC. 4 consultants, 4 current operators and the remainder mixed consultancy, architects, equipment, MUGGA, skate park providers.

It was noted that to go straight for an existing operator may short circuit the need to incur consultancy costs, particularly as WPC held a wealth of Dene Valley marketing survey material. If this was accessed, care would need to be taken to protect anything considered commercially sensitive.

It was decided to invite the 4 consultants to come to the PC office and give a presentation for Cllrs and to visit leisure centres run by the 4 current operators. TC to contact and make arrangements.

Composition of Working Party.

The Working party currently consists of Cllrs TC,RP,RR,DK and JG.. It was decided that the most effective way to take the project forward would be to first identify the areas of expertise needed and then invite people known to have that expertise to join the working party.

Date of next meeting - To be arranged
