

WPC HIGHWAYS REPORT MARCH 2011

1. Newbold Rd Traffic speeds

The "Build-out", or chicane, has been evaluated by comparing speeds in January with those from December 2009, and has achieved a significant reduction in the number of cars speeding into the village (see attached chart).

2. White Bridge railings and fence

Repairs should be complete in the next two weeks

3. Bollards by OneStop Newbold Rd

These were installed on Friday

4. School Traffic/Parking

We have spoken to PCSO Claire Murray about the need for a more regular presence in Mountford Close. As a minimum, we have asked for at least one morning and one afternoon a week during term time.

5. Dog mess in Bridge St

There have been several complaints about dog mess in Bridge Street. The culprit has not been identified. It is suggested that some large temporary be put up.

6. Grit bin for Walton

This has been ordered.

7. Ettington Road Spinney

No progress has been made on setting up a site meeting for interested parties because Gavin Callard (WCC Forestry) is away.

8. Wellesborne in Bloom

See separate report attached

Tony Copeland 28th Feb 2011.
