

# Amenities and Highways Report

Sept 6<sup>th</sup> 2011

**Sports/Community Building:** A busy month, with the working party meeting our leisure consultant and agreeing the documentation that will form the basis for the 'not for profit' operators tender.

The documents will be given to the potential operators at the open day scheduled for Sept 7<sup>th</sup>.

The documents consisting of: – method statements, invitation to tender, tender brief, pricing schedule and background document.

Tenders are due to be returned by Oct 21<sup>st</sup> 2011.

Orbit/HoE has been busy undertaking the agreed improvements to the building and carrying out further clearance work.

The roofing and guttering repair work is due to begin shortly.

Costings are currently being sought for carrying out a full structural survey.

**Play Areas:** Damage/vandalism has occurred to items in both play areas.

Dovehouse – re install 2 balancing steps from the venture trail equipment £80

Mountford – Repair wet pour surface around multi climber £482

## Highway Issues:

Newbold Road bustop slabs have been installed

Repair by WCC to hole in grass verge near above – still awaited.

CCTV investigations into source of pollution into river Dene at Bridge St is still ongoing.

Quotation awaited to remove dead tree at White Bridge grassed amenity area.
