

Amenities and Highways Report

To full Council – June 7th 2011

Sports / Community

Building:

Following three quotations received to clear the building PJP Nationwide have been appointed to carry this out during w/c June 20th.

Installation of CCTV has been arranged as part of our buildings insurance requirements.

Play Areas:

The order for the installation of the replacement Spring Animal for the Dovehouse area has been placed (the animal was donated FOC – we are only paying the installation costs)

The annual independent inspection report has been received and shows no significant areas of concern. Areas identified will be passed to our contracted handyman to attend to.

Frost Road:

Proposal to Greenbelt to fund a suitable waste bin (capable of accepting dog mess - WPC will cover the cost of emptying. No responses from them yet - reminders have been sent.

Shelter belt issue – still ongoing

Bus Stop Surface Paving

Newbold Road:

Quotations received to supply and lay 8 slabs received - order placed.

Blocked Drains: (Flooding issues)

Precinct and Bridge Street problems have been reported.

R.J Parton - Chairman
